WHAT IS THEOLOGY OF THE BODY?

John Paul II's Theology of the Body is a new understanding of the human person that takes one beyond the "thou shall nots" often associated with Christianity to a fresh, new approach to the gift of love and human sexuality.

Delving into challenging and important life questions...

- Is there a real purpose to life and if so, what is it?
- Why did God give us our sexual desires?
- What is the difference between love and lust?
- Can Christ bring healing to me if I've already "messed up"?
- How far is "too far"?
- Is it really possible to remain pure in our oversexed culture?
- Is it truly possible to be pure of heart?
